

## Product Change Notification

**Document No.**                      **PCN-A-1090306**                      **Revision**                      **1.0**

**PCN TOPIC:** Change the motherboard and BIOS part numbers of all Intel® Celeron® N2930 Processor related products.

**INTRODUCTION:**

Due to Intel starting to transition from the C-0 stepping of the Intel® Celeron® N2930 Processor to D-1, Winmate will change the motherboard and BIOS part numbers of all products that use the N2930 processor for all new orders from the effective date. The new BIOS version can be compatible with the previous motherboard versions.

**DETAILS:**

For the comparison table and impacted product list, please refer to the below tables. This change will only affect new orders from the effective date onwards.

**Comparison Table:**

	Previous MB	New MB
<b>Step</b>	C-0	D-1
<b>Pre / Post Conversion S-Spec of CPU</b>	S R1W3	S R3V7
<b>BIOS</b>	Old	New BIOS version, but can be compatible with previous Motherboard.

**IMPACTED PRODUCT LIST:**

	Model Name	
<b>Panel PC</b>	XXXIB7T-XXXX	(X=A~Z,0~9)
	XXXIB3S-XXXX	(X=A~Z,0~9)
<b>BOX PC</b>	IB70SB7-101	IBDRW100-EX IBDRW100
<b>Embedded Board</b>	IB70	IB32
