PCN Topic: New design for 10.4-inch Industrial Display (Model No. : R10L600-XXP1/R10L630-XXP1)

INTRODUCTION:

We would like to inform you that the design of 10.4-inch Display with resolution 800x600 (Model No. : R10L600-XXP1/R10L630-XXP1) have been changed from old version to the new one.

Details:

Winmate is committed to provide the higher quality products and better services to our customers. We also view the modification of product design as a drive for innovation and new technology. To Winmate's matured Industrial Display product line, the 10.4-inch model has been redesigned to reach thinner contour. All the dimension, locations of mounting holes, and the cut-out are the same as the old design. What the differences between the old and new versions have been shown below.
