

# Product Change Notification

**Document No.**                      **PCN-A-1070803**                      **Revision**                      **1.0**

**PCN TOPIC:** Winmate changes the Wi-Fi/ Bluetooth module of M101BT.

**INTRODUCTION:**

This is the notification for customers that Winmate has changed the Wi-Fi/ Bluetooth module of the M101BT Tablet PC to Intel® AC3165.

**DETAILS:**

Due to the Intel® AC3160 Wi-Fi/ Bluetooth modules reaching its End-of-Life (EOL), Winmate has decided to change the Wi-Fi/ Bluetooth module of the Tablet PC M101BT to Intel® AC3165. The OS image will also be changed because it requires a new Wi-Fi driver. With Intel® AC3165, the Bluetooth support of M101BT will be upgraded from 4.0 to 4.2.

	<b>Intel AC3160</b>	<b>Intel AC3165</b>
<b>Wi-Fi</b>	802.11 ac	802.11 ac
<b>Bluetooth</b>	Bluetooth 4.0	Bluetooth 4.2
<b>Board Form Factor</b>	Mini-PCle	M.2

The RF performance has been tested and will not be impacted after changing to the new module.

**RELEASE DATE:**

August 3<sup>rd</sup>, 2018

*Will be effective from Aug. 3<sup>st</sup>, 2018*
