

# Product Change Notification

**Document No.**                      **PCN-A-1091118**                      **Revision**                      **1.0**

**PCN TOPIC:**

Winmate releases a new 10.1” Rugged Android Tablet M101Q8-ME series to replace the M101RK series. The M101RK series will be removed from the official website.

**INTRODUCTION:**

As a part of the product development strategy, Winmate releases a new 10.1” Rugged Android Tablet M101Q8-ME series to replace the M101RK series.

**DETAILS:**

As a part of the product development strategy, Winmate releases a new 10.1” Rugged Android Tablet M101Q8-ME series to replace the M101RK series.

The new Tablet PC M101Q8-ME is a rugged tablet PC with a robust set of features designed to withstand industrial use while providing high tech solutions that increase productivity, improve safety, and reduce operational costs. The processing power comes from a Qualcomm® SDA660 Kryo 260 CPU, Octa-core, up to 2.2GHz processor for high performance. The tablet features a brilliant in-plane switching with direct optical bonding projected capacitive touch screen, which is sunlight readable and offers a 1920 x 1200 pixel resolution.

Winmate continues to support customers who purchased the M101RK series. For any inquiries, please contact the Winmate Sales Team for further assistance.
