Document No.                      PCN-A-20200302                      Revision                      1.0

**PCN TOPIC:**

SBC IB32 version 200 upgrade to version 300.

**INTRODUCTION:**

As a result of TPM 1.2 upgrade to TPM 2.0, Winmate changes the USB 2.0 Hub and upgrades the SBC IB32 to version 300.

**DETAILS:**

**Impact of TPM upgrade to 2.0:**

1. Windows 10 operating system requires installing a new version of BIOS and OS image. TPM is optional, by customer request only.
2. Notice that Windows 7 does not support TPM 2.0 function.
