

Product Change Notification

Document No. PCN-A-1060720 **Revision** 1.0

PCN TOPIC:

Embedded board I771 and related products will be removed from Winmate website.

INTRODUCTION:

This is the notification for customers that Winmate removes embedded board I771 and related products from website.

DETAILS:

Because of I771 chipset reaches its End-of-Life (EOL), therefore Winmate removes embedded board I771 and related products from the website. Winmate has already released new generation of Mini-ITX embedded boards to replace I771 series. Winmate recommends ordering the new Mini-ITX embedded series that offer key features of embedded SBC design.
