Document No. PCN-A-1070425 **Revision** 1.0

PCN TOPIC:

Winmate changes the 10.1" S-series front bezel material from aluminum to plastic.

INTRODUCTION:

This is the notification for customers that 10.1" S-series which without light bar products will change front bezel material from aluminum to plastic.

DETAILS:

Winmate is always striving for better solutions for our customers, therefore we made a new tooling plastic bezel for the 10.1" S-series. We have tested that RFID performance improves with the plastic bezel. As a result, we will change the standard product to plastic bezel, but if you still require the aluminum bezel, please just mention on the PI so that we can still provide it
